

Do you want to be part of a team that continues to feed the world? If you are that person, then join us at Hy-Line International. We are looking for a **Compliance Specialist** to join us at our Dallas Center Campus. If you are looking for a career in the agricultural sector, then check out our exciting opportunity.

As a valued team member, you will make an impact not only within our Dallas Center Campus but also Internationally by working with the quality database to ensure all documents, procedures, audit reports, and data entry is current. You will work with a variety of departments to ensure the day- to- day reporting is completed and available upon request.

To meet our goals, you will need to be a self-starter, have a keen eye for detail and great time management skills, and believe in the company's mission and vision. You will need to work efficiently in both an office setting and in animal facilities when required.

This is a great opportunity for you to use your two-year degree and/or relevant experience to assist with and ensure that we continue to be compliant with all regulatory and audit requirements. Experience in quality or compliance is strongly preferred with advanced computer skills including knowledge of Microsoft Office Suite.

The company benefits package that is offered to employees will encourage you to inquire about this position. At Hy-Line International we strive to have a great atmosphere so employees can strive to be their best.

If you are willing to take the step forward to apply our leadership team will review your skills.

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates will be required to successfully completed a pre-hire drug and background screen.

Please email your resume to [HumanResources@hyline.com](mailto:HumanResources@hyline.com).

We are excited to meet you!
