Are you a **Marketing Specialist** interested in being part of an international company that feeds the world? If providing hands-on marketing support while being part of the team that sets marketing strategy energizes you, consider joining our team!

We are looking for someone who matches our vision and values AND can offer superior marketing skills as a key player on our team. In this crucial role, you will work alongside genuine, hard-working professionals to fulfill our mission. We are a successful privately-held company who offers meaningful career experiences, and recognizes team members' hard work with great, creative rewards.

In this role, you will be based at our West Des Moines, IA location and will serve as our Marketing Specialist for **Hy-Line International**. Your focus will be to provide marketing and promotions support to Hy-Line International's Global Marketing Manager. This important work involves planning events and planning and creating content for social media, newsletters, videos, and other marketing materials. In this critical role, you will work with a diverse and multi-national Hy-Line team members and customer base to grow sales around the world, as well as execute the company's strategic plan.

We're seeking candidates with a Bachelor's degree in international relations, agriculture business, marketing, public relations, or related field who has a minimum of 2 years of experience in marketing, communications, or public relations with demonstrated success. Maintaining a customer service focus while having the ability to work in a fast-paced, dynamic, multi-location environment is required. A proactive mindset, strong organizational, project, and computer skills, and the ability to work with people at all levels within the organization around the world are a must! We strongly prefer candidates who understand what needs to be done as much as getting it done. Candidates with a proactive "doer" mindset will be given preference. We value growth potential and fit as much as formal experience and education. Experience in the agriculture industry is preferred but not required.

Apply today by emailing your cover letter and resume to [HR@hyline.com](mailto:HR@hyline.com). We're anxious to learn more about you and share the Hy-Line story!
