

Do you want to be part of a team that continues to feed the world? If you are that person, then join us at Hy-Line International. We are looking for two (2) **Maintenance Technicians** to join us at the **Dallas Center Campus location**. If you are looking for a career in the agricultural sector, then check out our exciting opportunity.

As a valued team member, you will make an impact not only at our **Hatchery** but also Internationally by ensuring the equipment and buildings are maintained to company standards.

The **Maintenance Technician** will be based in our Hatchery to continually guarantee the employees are working with equipment to its full capacity to meet company expectations. This position will require you to partner with outside vendors, upgrade facility with installation of new equipment, perform breakdown analysis, and follow the hatchery equipment preventive maintenance program.

This great opportunity will be challenging and rewarding if you have ability to be a self-starter, have basic knowledge of mechanical, electrical & plumbing systems, perform inspections for malfunctions, and work with a variety of tools & equipment. Let's talk so you can assist us with ensuring our products continue to be the leader in the poultry industry.

The company benefits that are offered to you will encourage you to inquire about this position and will also show you that our company does care about their employees.

If you are willing to take the next step forward to apply, our leadership team is ready to meet you.

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates will be required to successfully completed a pre-hire drug and background screen.

Please email your resume to HumanResources@hyline.com

We are excited to meet you!
