

**Do you want to be part of our team that continues to feed the world?** If you are that person, take a minute or two out of your day and discover what Hy-Line International is all about. We are looking for a **Production Manager** to join us at the **Dallas Center, Iowa** facility.

As a valued team member, you will make an impact around the world by leading our Production team to continue advancing the GP, GGP breeder flocks and hatchery performance, work closely with Hy-Line contract grower and layer group, and the flock service team to ensure the quality of our product meets the company standards.

This opportunity requires the candidate to be hands-on along the side of managers, while developing strong collaborative relations with leaders across the company and within the industry. To meet the expectations, you will need to have a relevant bachelor's degree and 10+ years of demonstrated ability to lead through influence and proven success in a poultry production organization – breeding experience is a plus.

**Our management team request this position is offered to a candidate that has high energy, leadership skills, analytical mindset, excellent oral and written communication in both English & Spanish, ability to work in a constant shifting environment, and critical thinking skills. Are you our new Production Manager?**

The company benefits offered will encourage you to inquire about this position and will reveal that Hy-Line International cares about their employees.

If you are willing to take the step forward our leadership team is ready to meet you.

Apply today by emailing your resume to [HR@hyline.com](mailto:HR@hyline.com). We are anxious to learn more about you and share the Hy-Line story!

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates are required to successfully complete a pre-hire drug and background screen.

We are excited to meet you!
