

Do you want to be part of a team that continues to feed the world? If you are that person, then join us at Hy-Line International. We are looking for a **Quality Assurance Specialist** to join us at our Dallas Center Campus. If you are looking for a career in the agricultural sector, then check out our exciting opportunity.

As a valued team member, you will make an impact not only within our Dallas Center Campus but also Internationally by performing quality audits at the different Dallas Center campus farm facilities, to ensure our product complies to our standards, ensuring our product can be shipped throughout the world. When the facility audits are completed, you will work in our quality system program to ensure all SOP's, programs, and policies are up to date for the various departments.

The opportunity to be in the quality department allows you to see our products' lifecycle. To meet our goals, you will need to be very detail-oriented, a self-starter, believe in the company's vision and mission, and have knowledge in internal and external auditing, as well as ability to work with Microsoft Word, Excel, and other computer programs.

This great opportunity is for you to use your two-year degree with relevant experience to assist us in feeding the world. Experience in Quality is strongly preferred, but we will train you, so you can assist us in ensuring our product continues to be the leader in the poultry industry.

The company benefits that are offered to you, will encourage you to inquire about this position and will also show you that our company does care about their employees.

If you are willing to take the step forward to apply, our leadership team will review your skills.

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates will be required to successfully completed a pre-hire drug and background screen.
