

**Do you want to be part of a team that continues to feed the world?** If you are that person, then join us at Hy-Line International. We are looking for a **Maintenance Technician** to join us at the **Dallas Center Campus location**. If you are looking for a career in the agricultural sector, then check out our exciting opportunity.

As a valued team member, you will make an impact not only at our **Research Farms** but also Internationally by ensuring the equipment, grounds, and buildings are maintained to company standards.

The **Maintenance Technician** will work in a farm setting to continually guarantee the employees are working with equipment to its full capacity and meet company expectations. This position will require you to partner with outside vendors, upgrade facility with new equipment, perform breakdown analysis, and maintain the farm equipment maintenance program.

This great opportunity will be challenging and rewarding if you have ability to be a self-starter, have basic knowledge of electrical & plumbing, perform inspections for malfunctions, and work with a variety of tools & equipment. Let's talk so you can assist us with ensuring our product continues to be the leader in the poultry industry.

The company benefits that are offered to you, will encourage you to inquire about this position and will also show you that our company does care about their employees.

If you are willing to take the step forward to apply our leadership team is ready to meet you.

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates will be required to successfully completed a pre-hire drug and background screen.

Please email your resume to [HumanResources@hyline.com](mailto:HumanResources@hyline.com)

We are excited to meet you!
