

Are you a **Senior Accountant** interested in being part of an international company that feeds the world? If providing hands-on accounting support while being part of the team that handles all of the company's financial activities energizes you, consider joining our team!

We are looking for someone who matches our vision and values AND can offer superior finance and accounting skills as a key player on our team. In this crucial role, you will work alongside genuine, hard-working professionals to fulfill our mission. We are a successful privately-held company who offers meaningful career experiences, and recognizes team members' hard work with great, creative rewards.

In this role, you will be based at our West Des Moines, IA location and will serve as our Senior Accountant for **Hy-Line International and Hy-Line North America**. While reporting to our Corporate Controller, your focus will include all aspects of financial statement preparation, analysis, and reporting, of monthly financial statements and forecasts for both Hy-Line companies. This position will also be involved in annual audit and budgeting process, as well as daily accounting functions. In this critical role, you will work with a diverse and multi-national Hy-Line team members around the world to meet departmental and company goals.

We're seeking candidates with a Bachelor's degree in accounting who have a minimum of 4 years of progressive experience in accounting roles with demonstrated success. Maintaining a customer service focus while having the ability to work in a fast-paced, dynamic, multi-location environment is required. A proactive mindset, strong organizational, prioritization, and computer skills, and the ability to work with people at all levels within the organization around the world are a must. We strongly prefer candidates who understand what needs to be done as much as getting it done. Candidates with a proactive "doer" mindset will be given preference. We value growth potential and fit as much as formal experience and education. Experience with Microsoft Navision and the agriculture industry are preferred but not required.

Apply today by emailing your cover letter and resume to [HR@hyline.com](mailto:HR@hyline.com). We're anxious to learn more about you and share the Hy-Line story!
