

Do you want to be part of a team that continues to feed the world? If you are that person who is ready to enter the workforce and likes working behind the scenes, we need you to become our newest **Laboratory Technician** at our **Dallas Center Campus**.

As a valued team member, you will make an impact not only within our Dallas Center Campus but also Internationally by enjoying the science part of our company to ensure our product is in compliance so it can be shipped throughout the world.

The opportunity to be in the Technical Service department will require you to be detail-oriented and the ability to be somewhat repetitive in your daily task so our products meet our company goals.

Your experience in a Lab setting is strongly preferred but will train you, if you can come with these six-character traits:

- 1. You love science**
- 2. You are extremely detail-oriented**
- 3. You don't mind repetition**
- 4. You prefer working behind the scenes**
- 5. You're seeking a stable career**
- 6. You're eager to enter the workforce**

The company benefits that are offered to you, will encourage you to inquire about this position and will also show you that our company does care about their employees.

If you are willing to take the step forward to apply our leadership team will review your skills.

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates will be required to successfully complete a pre-hire drug and background screen.

Please email your resume to HumanResources@hyline.com.

We are excited to meet you!
