

Do you want meaningful work? Interested in being part of an international company that feeds the world? If you love transportation and logistics, we want you to consider joining our team as a **Transportation Supervisor**! Due to a retirement, we are looking for someone who matches our vision and values AND can offer superior transportation knowledge to the business while supervising a team. In this crucial role, you will work alongside genuine, hard-working professionals to fulfill our mission. We are a successful privately-held company who offers meaningful career experiences, and recognizes team members' hard work with great, creative rewards.

In this role you will be based at our Dallas Center, IA location and will serve in a cross-functional capacity for **Hy-Line International** by overseeing daily activities (i.e. scheduling, workloads, routes, regulations, etc.) for the transportation of all Hy-Line products destined for domestic or international delivery. You will work directly with our Planning and Export and Operation/Hatchery Departments to maximize operational efficiencies while minimizing costs relating to both commercial and non-commercial fleet vehicle use.

We're seeking candidates with related undergraduate degrees with a minimum of 3 years of traffic management experience and at least 2 years of supervisory experience; or 5 years equivalent work experience. We value learning potential and fit as much as experience. Intermediate knowledge of DOT regulations is required. We strongly prefer candidates who have experience in the agriculture industry.

Apply today by emailing your cover letter and resume to HR@hyline.com! We're anxious to learn more about you and share the Hy-Line story!
