

Weekend Research Data Technician

Do you want to be part of a team that continues to feed the world? If you are that person that wants to have time off during the week, we have the position for you at Hy-Line International. We are excited to fill our newly created work schedule, called the “**Weekend Package**”. This position will require you to work **Friday, Saturday, and Sunday but the great part of it is you will only work 30 hours, 10 hours a day and get paid for 40 hours.**

As a valued team member, you will make an impact working at our Research Farms so our product can be delivered all over the world. You will be responsible to maintain the farm to company standards, complete daily workload, and ensure our company’s biosecurity and welfare requirements are met.

This great opportunity is going to be challenging and rewarding, so if you have ability to work with poultry, be a team player, and ensure the welfare of our flocks, let’s talk so you can be part of our team to ensure our product continues to be the leader in the poultry industry.

The company benefits include Health, Dental, and Vision coverage with low monthly premiums for the employee. Not only does Hy-Line offer medical benefits to their employees, but they also reward the employees with top pay for all positions, 401K program with company match, paid vacation, personal time, and holiday’s and this is just a few perks given to you. If you are willing to take the step forward to apply for the **Weekend Research Data Technician** position, we are ready to talk with you.

Hy-Line International believes in the value of diversity within our workforce and is an equal opportunity employer. Because of our commitment to the poultry industry, candidates will be required to successfully completed a pre-hire drug and background screen.

Please email your resume to HumanResources@hyline.com

We are excited to meet you!
